Docket No. Q858-E
Serial No. 09/684,085

Claims 1 through 54 are pending in the application. Claims 1-39 are allowed.
Claims 43,45,47,51,53,54 are objected to. Claims 40-42, 44, 46, 49, 50 and 52 are rejected.

The rejected independent claims are now in condition for immediate allowance by incorporation therein of the subject matter of corresponding dependent claims which have been allowed.

Claim 40 has been cancelled and new claim 55 has been added which now contains the limitations of Claim 40 as initially filed in the application together with the limitations of allowed dependent Claims 42 and 43.

Claim 46 now contains the limitations of allowed dependent Claim 47.

Claim 49 (formerly Claim 50) was previously amended in the last response after final action to include the limitation of dependent claim 51. Claim 51 was previously indicated to be allowable if combined with its base claim.

It is believed that all issues in the application have been resolved and that the case is in condition for allowance, which action is respectfully solicited.

Respectfully submitted,

Dated: April 12, 2004
